- Historic District Standing to Appeal Architectural Review Board Decisions (30-45 minutes) [View](#)

The City Attorney will review the City's current standard of appeals from ARB to City Council. In September 2006, the Council set aside the recommendation from Planning Commission and staff. This work session is designed to have the Council members discuss whether they prefer to retain or change the process. Staff will also review a possible policy alternative on standing for Council discussion. The Council may wish to formally refer any change to the Planning Commission at the first October Council meeting. (Read-ahead materials are attached.)

- Closed Meeting to Discuss the Contract Negotiations for the Executive Plaza Public-Private Education Facilities and Infrastructure Act Project (30 minutes)
